11
12 Q: This is a call back to **TG** at 10:15 December 7, 2020.

13
14 A: Hello?

15
16 Q: Hi. Is this **TG**

17
18 A: Yes this is **TG**

19
20 Q: Hey - hey it's Jake Olson. How are you?

21
22 A: Good. How are you doing?

23
24 Q: I'm good. Thanks for taking my call. I don't know - did your dad call you or did
25 you see my Instagram message?

26
27 A: Yeah my - my dad told me about it.

28
29 Q: Okay good. Well let me tell - do you have a minute to talk before we get
30 started?

31
32 A: Yeah.

33
34 Q: Okay, um, my name is Jake Olson. And I'm a Special Agent with the National
35 Park Service.

36
37 A: Okay.

38
39 Q: And so I'm trying to call you because, uh, I believe you're not in any kind of
40 trouble or anything of course, um, but I - I believe, um, you know, somebody
41 that I'm investigating. And so I was just wondering if...

42
43 A: Okay.

44
45 Q: ...you had a few minutes to talk about it like about...

46
47 A: Yeah.
48
49 Q: ...this guy. Okay. Well let me get my notes ready here real quick. I'm going to
50 try to take - do the best I can at taking good notes but are you comfortable with
51 me, uh, recording this as well so I don't have to write everything down?
52
53 A: Yeah, it's no worries.
54
55 Q: Okay well the guy I'm looking into is, um, a guy named (Cody Smith). Are you
56 familiar with him?
57
58 A: Oh okay yes.
59
60 Q: Yeah, does that surprise you or - or does it not surprise you?
61
62 A: Um, well I guess no it - it really doesn't surprise me.
63
64 Q: Okay. Can you - can you tell me about your previous relationship or how you
65 knew (Cody Smith)?
66
67 A: Um, well I think we - it's - it's hard to explain it's so long ago. I am a freshman
68 in college now...
69
70 Q: Uh-huh.
71
72 A: ...so this must have been my I met him the sophomore year of high school
73 during the summer.
74
75 Q: Okay.
76
77 A: And we kind of hung out a few times. I guess we were dating. It was like my
78 first, like, quote unquote "relationship"...
79
80 Q: Mm-hm.
81
82 A: ...but definitely rushed into thing - definitely like, uh, very uncomfortable you
83 know what I mean. So that's how I know him. I only know him outside of like
84 just meeting him over the summer.
85
86 Q: Okay. Well let me I'm just going to give you a little bit of background on what
87 we're, uh, looking into okay? Um, and - and I'll give you some background on
88 what I do. So my job is to investigate, uh, like mostly felonies that occur within
89 the National Park Service. And those felonies range from all kinds of stuff
90 whether it be like attempted murder or, you know, poaching a wolf or sexual

91 assault or sexual abuse.
92
93 A: All right.
94
95 Q: Um, (Cody) is getting investigated for the latter. So he's getting investigated for
96 abuse of sexual contact, uh, for a girl that he met out here in, um, in, uh, in
97 Wyoming. T- he actually met her In Idaho...
98
99 A: Uh-huh.
100
101 Q: ...but they went to Wyoming. Um, and obviously, you know, with any of this
102 stuff nobody is guilty until they're proven guilty right? He's just accused as of
103 right now.
104
105 A: Yeah.
106
107 Q: Um, but I've talked to a few folks at this point who have had previous
108 relationships with him and I'm just trying to follow-up with you the same way
109 that I followed-up with them. So that being said I just - I say all that stuff to let
110 you know that my whole job is pretty much dealing with this stuff and so I don't
111 want you to feel uncomfortable or that you can't say anything that might sound
112 embarrassing or, you know, details like that...
113
114 A: All right.
115
116 Q: ...because some of the questions that I have to ask you probably are intimate,
117 they probably are personal. And if you don't want to answer them you don't
118 have to. Um, but I don't want you to hold...
119
120 A: Okay.
121
122 Q: ...I don't want you to hold back because of me okay?
123
124 A: Okay.
125
126 Q: Sorry, so what a weird intro right?
127
128 A: Yeah, uh-huh.
129
130 Q: Like who thought...
131
132 A: I know right.
133
134 Q: ...who thought you're going to be doing this on Monday? So, uh, well I - I guess
135 what I'd ask you is you mentioned that it was very uncomfortable. Can you

136 describe what you mean by that?
137
138 A: Okay so well I remember so this is like sobering to talk about. I feel like I've
139 never talked about this before because it was like I very - haven't done - like I
140 haven't done anything with anyone, you know. It was like the first guy I really
141 hung out with.
142
143 Q: Yeah.
144
145 A: You know, so I very like not knowing what I'm doing like not knowing what
146 I'm comfortable with. So, um, I guess we hung out. And then like I guess we
147 did things like I don't know how - like I get really personal or like I don't know
148 if I'm...
149
150 Q: I...
151
152 A: ...saying anything like, weird.
153
154 Q: No. You're not going to say anything weird or anything offensive to me. And
155 like I said I - I've spoke to a few folks about this case and - and we did get very
156 detailed about some of the intimacy stuff so whatever you're comfortable with
157 okay?
158
159 A: Okay. So I remember us going to like ice skate or something and we got there
160 late so there was no ice skate. So then afterwards we just went back to his car
161 and hung out. And I remember like him fingering me and everything and it like
162 it - it hurting, you know?
163
164 Q: Yeah, yeah.
165
166 A: And I guess I really didn't know how to like say anything, you know, but I
167 remember like bleeding and not really knowing like what to do and anything.
168 But, um, so that's when I like - it was just very rushed. Like I feel like I didn't
169 even know him for that long and I was just expected to do things. I - I remember
170 that. I remember on Instagram he'd send me, um, like memes, not memes but
171 like posts about like different positions. You know, and like...
172
173 Q: Yeah.
174
175 A: ...just sexual things. And I not knowing anything about sex or like anything and
176 I'm like - I like this is what I'm expected to do, you know?
177
178 Q: Yeah.
179
180 A: And - and then I remember one night this is like the worst night of my life I feel

181 like. It was - we were hanging out. We went to his house I guess and we're like
182 outside.
183
184 Q: Yeah.
185
186 A: And I was already late and I - like my curfew was 10:00, and I ended up getting
187 home at like 3 o'clock in the morning because I don't know what happened like
188 how time flew. But I remember - I remember, um, like driving or like him
189 driving to his house. And, um, I'm trying to remember like the exact thing that
190 happened but I remember us being outside like I - I - I maybe I was somehow,
191 um, we were outside and there's like not a futon but like a couch something.
192
193 Q: Like a couch that's under, uh...
194
195 A: ...and...
196
197 Q: ...the - the couch that's kind out there...
198
199 A: Yeah.
200
201 Q: ...in the safari area there that's under the - under the kind of the...
202
203 A: Yeah.
204
205 Q: ...overhanging thing? Yeah.
206
207 A: Yes. Do you - have you been there?
208
209 Q: No you're just not the first one that's told me about that couch.
210
211 A: Oh my gosh. This is horrible...
212
213 Q: Okay.
214
215 A: ...that more people have through this, you know? But yeah, it was that and
216 outside and then like I guess like - like my underwear came off, you know, like
217 my bra was off like I was naked and I remember him this was like the first time
218 but I haven't done - I haven't had sex with anyone. And then I remember him
219 being like, "I'm gonna go just like the condom," and I'm like, "I - I don't know
220 like I don't think we should do this right now." And he's like, "No I'm gonna go
221 get it." And he went to his car he got it he came back. And, um, then like I guess
222 it was like a little bit of stuff happened like I didn't obviously didn't want it to
223 happen but, you know, like I - I guess I tried to say no without like yelling it,
224 you know?
225

226 Q: Okay.
227
228 A: Like no means no I guess in any sense, even if I'm like I don't know, you
229 know?
230
231 Q: Yeah.
232
233 A: But, um, then I remember looking at some - I think I heard my phone go off
234 because my phone was feel like it was so far. Like I didn't even know like the
235 time or like my mom was calling me. I'm sure I feel so bad what I put her
236 through, you know, like not knowing where I am at like 3 o'clock in the
237 morning. But I remember being like, "Oh, like what time is it?" And I go check
238 my phone I had to like get dressed and everything yeah but, um, I didn't talk to
239 him after that. But yeah there - there was definitely a lot of things that I wasn't
240 comfortable with that I didn't want to happen.
241
242 Q: Can...
243
244 A: I don't know sorry, I like ran for a long time so if you have any questions.
245
246 Q: That's okay. That's perfect. Yeah, it gives me a lot of questions to ask. Are, um,
247 are you in any kind of rush or are you okay to keep talking to me for a little bit?
248
249 A: No I'm okay to keep talking.
250
251 Q: Okay. So you kind of mentioned that it was the worst night of your life and that
252 you went back to his house and you got to that couch. Um, can you describe the
253 conversation and kind of like how it went forward so when you guys, you
254 know, I guess what I'm trying to determine is, you know, it's okay to have some
255 consensual parts and then not and then - and then revoke that consent later. And
256 you know what I mean when I say that so it's like...
257
258 A: Mm-hm.
259
260 Q: ...yeah, like...
261
262 A: Yeah.
263
264 Q: ...may- maybe I consent to, you know, like you said, fingering, or maybe I
265 consent to like a hand job or something like that but, you know, you don't
266 consent to the rest of it. It's not b- just because you consent to one part doesn't
267 mean you have to consent to the rest. Now I would ask...
268
269 A: Yeah.
270

271 Q: ...I - I guess I'd ask you is what was that conversation like? And like at what
272 point were you uncomfortable, at what point were, you know, did those things
273 start - like what's - I know it's been a while but can you remember what kind of
274 statements, or the conversation or describe his attitude?
275
276 A: Of like his attitude or...
277
278 Q: Both.
279
280 A: ...I didn't hear that last part?
281
282 Q: Yeah. If you could describe both, you know, like h- like kind of the
283 conversation as you remember it. Um, you know, what you would told him.
284 You know, you'd mentioned that it was the worst night of your life, uh, you
285 know, can you expand on that a little bit for me too?
286
287 A: Well I just - I remember like I feel like I knew this was going to happen. And I
288 remember telling my mom I'm like, "Mom like you have to text me at 9:00
289 saying that I have to be home. Like you have to text me," because like I knew -
290 I knew this was gonna go down. I knew I was gonna get uncomfortable. I knew
291 - I didn't think he gonna's force it but I knew it was going to come up and I was
292 gonna put in this place where I wouldn't be able to get out of it, you know?
293
294 Q: What - why...
295
296 A: And she was like, "Oh like you'll have f-" what? Say that again.
297
298 Q: No you go ahead. I'm sorry to interrupt you. Go ahead.
299
300 A: And then I remember my mom was like, "Oh no like it'll be fun like a little
301 date." I'm like, "No, like well please text me like be home at 9:00, like please."
302 But then because then like time just flew and like I didn't know what was
303 happening at all, you know? It just - I forgot what else we did that night but I
304 just remember being like that night I remember him texting me like, "Oh like
305 are you ready?" Like stuff like that. Like he definitely wanted to have sex, you
306 know, like that was - that was his goal and was - I didn't know anything. Like
307 he was the first person I've ever done anything sexual with...
308
309 Q: Okay.
310
311 A: ...you know?
312
313 Q: Yeah.
314
315 A: And being like a sophomore in high school I don't know if that was the time

316 where I should have. I don't know if that's what I wanted to do, you know?
317
318 Q: Yeah.
319
320 A: Like I definitely didn't know him at all. I definitely didn't know him, you
321 know? And, um, I think that was probably like his main intention, you know,
322 um?
323
324 Q: Yeah.
325
326 A: But yeah, basically worst night because I knew what was going to happen and I
327 - I didn't know how I was going to get out of it and just stuff like that, I guess.
328
329 Q: Yeah.
330
331 A: But again you were talking about the conversation. So I remember him I knew
332 what he wanted type thing because of like all the - the messages he would be
333 sending me. I probably like still have some of them, you know, like in the...
334
335 Q: Yeah.
336
337 A: ...archives of Instagram. Um, I don't know if you need, uh, would need them or
338 anything.
339
340 Q: Yeah, that'd be great.
341
342 A: I...
343
344 Q: Yeah, we - I'll write a note down we can come back to that.
345
346 A: Okay. Yeah, I just remember like him sending me messages of like different
347 positions and like different things that like people do and like, "Oh are you
348 ready?" And like, "Oh you'll be fine or like stuff like that."
349
350 And I don't know.
351
352 Q: Yeah. So it was really uncomfortable for you.
353
354 A: Yeah.
355
356 Q: Would you describe the - would you describe the interc- intercourse as
357 consensual?
358
359 A: Um, I don't know if I - not I don't - no, I guess like it's kind of weird because I
360 felt like - I feel like I thought about this a lot...

361
362 Q: Yeah.
363
364 A: ...and trying to like rationalize not that I was in the wrong,t but like I was like no
365 like I guess I did lead him on but like I -I feel like I, uh, always think about this
366 and it's so weird that this is like happening because I - I feel like this is like a
367 defining, not a defining moment in my life but a defining part...
368
369 Q: Sure.
370
371 A: ...where it's like - it's like but this was how I was introduced to all of this stuff,
372 you know?
373
374 Q Yeah.
375
376 A: Like all this stuff that's supp- that's like not dreamed about but, you know, that
377 like people like human nature, you know?
378
379 Q: Yeah, like formative moments...
380
381 A: And, um...
382
383 Q: ...in your adult in - as a - as an adult we're - we're kind of th- this was the first
384 interaction to those, this was the first introduction.
385
386 A: Yeah.
387
388 Q: Yeah.
389
390 A: But, um, but, yeah, I don't know. I don't think it was consensual. I just
391 remember saying like I remember being on the couch. And I remember saying
392 like, "Oh I don't know like, you know, I don't think we should right now. Like
393 I don't know," like, you know, like hesitant like let's not, you know? And him
394 being like, "Okay I want to go get the condom." And he runs like to his car I'm
395 like sitting there like is this really like about to happen right now like is this
396 what - is this what my life is right now?
397
398 Q: Yeah.
399
400 A: You know?
401
402 Q: Yeah. And would you think - would you describe - I don't put words in your
403 mouth but would you describe him as pressuring you to have sex?
404
405 A: Yeah. Yeah, definitely and because I know like especially in this generation a

406 lot of the pressure can happen through text.
407
408 Q: Yeah.
409
410 A: So I feel like it was very message based like reading like the message constantly
411 being like oh like this is what I'm going to be walking into, you know?
412
413 Q: Yeah.
414
415 A: And then even in person because like I guess, um, I did suck his dick a few
416 times...
417
418 Q: Yeah.
419
420 A: ...because like I don't like a lot of guys like that's what wanted, you know?
421
422 Q: Yeah.
423
424 A: But like he was just like a very sexual person I guess, you know?
425
426 Q: Yeah.
427
428 A: And like I wasn't at the time obviously .
429
430 Q: Yeah. Would you - let me ask you, um, just a couple of details here but was -
431 would you consider, you know, now that you've been away from it for a couple
432 of years would you consider the - the intercourse kind of like normal, or was it
433 aggressive, was it passive, you know, like how would you describe the - the
434 intercourse at that time?
435
436 A: Well okay, so basically, it didn't go on for that long because I was like, "Oh
437 what time is it? And I kind of like left and I was like, you know, so but, I mean,
438 I've had - I've had intercourse but like (unintelligible) and it's definitely it was
439 definitely a different experience. And like I guess being ready for it it's just like
440 - and being I guess like that the whole concept that we're talking about here so...
441
442 Q: Yeah.
443
444 A: ...I think that definitely plays a part in it.
445
446 Q: Yeah. Can I ask you a couple detailed questions? Um...
447
448 A: Yes.
449
450 Q: ...did he ever kind of like bind your hands or pin your hands anywhere like next

451 to you, above you or anything like that?
452
453 A: No.
454
455 Q: Okay. Did he ever bite you or do anything like that, like bite your lips, um, bite
456 you anywhere else?
457
458 A: Yeah. Uh, yes like there was I think probably just biting lips but I remember
459 getting hickey's so bad and like not that it was hurting but like like - like I
460 remember coming home with hickey's and I'm like, "Oh my gosh," my mom
461 like said something. And I'm like and he's a - because like there's nothing you
462 can do like during it or after, you know?
463
464 Q: Yeah.
465
466 A: It's like, you know, I couldn't really say stop. I was like I don't kn- I don't know
467 if this is like the - is this how it's supposed to be you know?
468
469 Q: Yeah. And did you say you do remember him biting your lip?
470
471 A: Yeah.
472
473 Q: Yeah. Was it kind of soft...
474
475 A: Yeah.
476
477 Q: ...or hard or how would you describe that?
478
479 A: Um, I think it was definitely harder than it should be.
480
481 Q: Yeah.
482
483 A: I just remember the finger being very abrasive. I remember that...
484
485 Q: Yeah.
486
487 A: ...because I just remember like almost bleeding every time I went home. I don't
488 know how many times we hung out but I think like I only - like I knew him for
489 like 20 weeks or something. It was - it was over the summer so obviously I had
490 a bunch of free time.
491
492 Q: Yeah.
493
494 A: So we would - we hung out like a decent amount of time.
495

496 Q: Yeah.
497
498 A: But, um, yeah I just remember it was very abrasive for some parts of it, yeah.
499
500 Q: Had you ever told him to stop like was he ever doing that stuff and you asked
501 him to stop and he kept going?
502
503 A: Um, that's - that's a hard question. I don't really remember. I just remember
504 like thinking in my mind I wanted to do something else and maybe trying to like
505 introduce like oh like can we go or something.
506
507 Q: Right.
508
509 A: Because I just remember being in the parking lot in his car in like the parking lot
510 of the ice skating place and being like, "Can - like can we leave? We're literally
511 in a car in public. Like can we like leave, you know?"
512
513 Q: Right. Right yeah, he just didn't seem to care. Yeah, okay, um, and then the last
514 question I ask you is do you remember him choking you at all or putting his
515 hands around your neck or anything like that?
516
517 A: Um, I don't think so, no.
518
519 Q: Okay.
520
521 A: No. me. Like I never drinking I've never drank before and I remember him like
522 giving me (unintelligible).
523
524 Q: I'm sorry.
525
526 A: You know, I'm like I don't know.
527
528 Q: I - I lost you there a little bit. It got a little bit garbled. Can you say again?
529
530 A: Okay. So I like I've never drinken before, you know, and I was like, sophomore
531 in high school, you know, and I remember him giving me a glass of wine. And
532 like b- this was like the night before like couch incident, you know...
533
534 Q: Yeah.
535
536 A: ...or the night of, not the night before. This was the night of, um, when he
537 wanted to - uh, when we wanted - when he wanted to have sex with me again.
538
539 Q: Yeah.
540

541 A: So this is like the night of, I remember him giving me a glass of wine, um, and
542 being - saying something to me like "Don't - this will make it easier," like
543 something like that something that's along the lines of like inching towards it
544 you know?
545
546 Q: Yeah.
547
548 A: But I remember that. I definitely remember that like the (unintelligible).
549
550 Q: Yeah. Well I'm really - I'm really sorry that you - you had to experience that.
551 Um, yeah that really stinks. That's a rough way to get introduced to that kind of
552 thing. So...
553
554 A: Yeah.
555
556 Q: ...um, like y- like I said I found you on Instagram. And so I just looked down
557 there real quick and it looks like there's a picture of you on there as a
558 valedictorian. Is that accurate?
559
560 A: Yeah.
561
562 Q: Well God dang man, that's pretty good.
563
564 A: Yeah, yeah thank you.
565
566 Q: Yeah, so you're - so you're doing pretty good then, huh?
567
568 A: Right?
569
570 Q: Yeah, I'd say so.
571
572 A: Yeah.
573
574 Q: What are you going to do after - what are you going to school for?
575
576 A: I'm - I go to [REDACTED]. I'm not sure if you're loc- yeah, so
577 you're not local to [REDACTED] right?
578
579 Q: No, I live in Montana.
580
581 A: Okay. So yeah I got to school about 30 minutes away from where I grew up in
582 [REDACTED]. And I, um, I really love it. I love college so much.
583
584 Q: Yeah. What are you going to go to school for?
585

586 A: I'm - I'm majoring in biology.
587
588 Q: Nice.
589
590 A: And I - I hope to minor in environmental education and - and, uh, Spanish.
591
592 Q: Wow.
593
594 A: Yeah.
595
596 Q: That's awesome. Well we - we had talked a - a minute ago and you had said you
597 may still have those messages. Can I - can I...
598
599 A: Yeah.
600
601 Q: ...can I give you - well I think you have my - you have my email and my phone
602 number now. Would you be willing to...
603
604 A: Okay.
605
606 Q: ...kind of take screenshots of those messages and if you had any text messages
607 left too would you send those?
608
609 A: Yes. Yeah.
610
611 Q: Um...
612
613 A: So you would prefer it through like your - your - your number?
614
615 Q: Yeah. Well you could do whatever is convenient for you. You know, if you
616 screenshot it and text to - to me that's fine. If you screenshot it and want to
617 email it that's fine whatever is convenient for you.
618
619 A: Okay.
620
621 Q: You know, you're - you're probably...
622
623 A: Okay.
624
625 Q: ...you're probably a lot more tech savvy than I am at your age so, um, the - the
626 last question I had for you is, uh, did (Cody) ever write you like any kind of
627 handwritten letters or anything like that?
628
629 A: That is so weird. I was - I was going to bring that up but, um, yeah, he did. He
630 wrote me, um, like an apology letter I guess and gave me like an old, not an old

631 Starbucks cup but it was like an old Starbucks cup like an old old reusable one...
632
633 Q: Okay.
634
635 A: ...you know it was like scratched up I guess as like a present. But yeah, if you
636 need...
637
638 Q: Okay.
639
640 A: ...that too...
641
642 Q: Do you have it?
643
644 A: ...or I can send you a picture of that.
645
646 Q: Yeah, do you have it?
647
648 A: I have it at home and I'll be home in like a few days so....
649
650 Q: Yeah, it'd be awesome. What did it apologize for?
651
652 A: Um, I guess I honestly forgot what it said. But I remember like getting it in the
653 mail and being like, "Oh my gosh, like what is this?" Like it was so bizarre.
654
655 Q: Old - old Starbucks cup.
656
657 A: I remember like yeah, it was so weird. And I'm like, "What is happening right
658 now? Like what is my life," so...
659
660 Q: That's funny. Yeah.
661
662 A: Yeah, I guess he was just like a apologizing and like, "Oh like I - I remember it
663 saying like opposites attract. Like I know we're so different but opposites
664 attract." It was like very cheesy very like, oh yeah.
665
666 Q: Yeah, yeah.
667
668 A: Um, but uh, what else did it say? It's just like, "Hopefully we can not meet
669 again in the future, but like hopefully our paths will cross," I don't know. But
670 I'll - I'll definitely send it to you.
671
672 Q: Yeah. So just to clarify how old were you when you guys were dating 16, 17?
673
674 A: Um, I was prob- well Okay so let me - so if I'm - I'm 19 now so 19, 18 I was
675 probably seven - or 16.

676
677 Q: Okay and how old was he?
678
679 A: He was I think two years older than me. I think he was 18. I remember him
680 being like I think he was an adult.
681
682 Q: Okay.
683
684 A: I can go - I can like make sure, you know...
685
686 Q: Yeah.
687
688 A: ...and like because it wouldn't - because I don't want to like say he was an adult
689 and I was a minor like it wasn't. But, um, let me - okay, so if it's - if I'm 19, 18,
690 17, probably, uh, 16.
691
692 Q: Okay.
693
694 A: I was 16.
695
696 Q: Yeah. Okay well yeah, let me, you know, if you go back and you're willing to I
697 know it's probably not convenient or - or really fun for you but if you're willing
698 to go back into those messages and - and give me some pictures of those and if
699 you're - if you find that apology letter that'd be really helpful.
700
701 A: Oh yeah. I have no problem doing that like this is for a good cause, you know?
702
703 Q: Yeah abso- I think so too. So thank you for that, yeah. Well if you think of
704 anything else or you want to talk about anything else or, you know, you're
705 sitting there thinking about this stuff later tonight, you know, feel free to reach
706 out to me. You have my email and my cell phone. My cell phone's always with
707 me. So, you know, just feel free to reach out no matter what okay?
708
709 A: Okay yeah, I might call you later so...
710
711 Q: Okay.
712
713 A: ...I'll definitely let you know if I think of anything too, if anything comes back
714 because like now that I'm thinking about it like I'm starting to think of like, you
715 know, more things, you know, so...
716
717 Q: Totally. Yeah sometimes it helps to write it down just so you can remember all
718 this stuff...
719
720 A: Yeah.

721
722 Q: Well thank you **TG** I appreciate you. And good luck in college here...
723
724 A: It was very nice talking to you.
725
726 Q: Yeah, you too. And I hope I hear from you again here shortly.
727
728 A: Yeah, for sure.
729
730 Q: All right thank you ma'am.
731
732 A: All right good, have a good day.
733
734 Q: You too bye. End of interview at 10:38.
